

GREETINGS FROM BROWN CITY CAMP!

It is hard to believe that three months have passed since Family Camp. What a great time many of us experienced this year at camp. Our speakers, Joel Deselm, Jeff Keaton and Adrian Despres delivered inspiring messages from God's Word.

The Collingsworth Family was with us for the first Sunday of camp. We may have set a record for attendance that day! The Union of Sinners and Saints with Billy Smiley were also enjoyed by many of our campers.

This year our Young Adult Ministry flourished as Paul and Jessica Dietzel challenged our young adults to commit their lives to Christ. I could go on and on about Family Camp this year. Our youth and children's workers did a phenomenal job ministering to the younger generation.

The newest addition at Family Camp is "The Grounds" coffee shop. We have Tim Tuckey and the Tuckey clan to thank for making this possible, which reminds me of what really makes Brown City Camp a success. Number one is our Lord God and His blessing upon the camp. So many people pray for Brown City Camp and we often sense God's presence on our campground. Number two is the many volunteers who sacrifice so much time and energy for Brown City Camp. Thank you so much!

2020 VOLUNTEERS NEEDED

In 2020 there are some areas at Family Camp where we need additional volunteers to step up to the plate. One is the Camp Store Ministry. After 16 years of faithfully overseeing the camp store, Debbie Mahoney is stepping down. We all know what a great job she has done and now we need a replacement "store manager". Another area where we need numerous volunteers is in the Cafeteria. Two of our ladies who had prepared our salad bar for years are now stepping down. There is also a need for additional volunteers at the Welcome and Exit gates. President John F. Kennedy once said, "Ask not what your country can do for you, but what you can do for your country." I think we ought to have the same attitude toward Brown City Camp, don't you?

ADMINISTRATIVE SECRETARY

The Brown City Camp Board has recently hired a part-time administrative secretary to join our camp staff. We are glad to announce that Linda Marsh will soon be working out of our camp office. Linda and her husband, Ray, have already been a blessing to Brown City Camp, working here on the campground.

NEW BUILDING PROJECT

At the top of the list for new building projects is the construction of two bathroom and shower facilities for our youth. This is a long-overdue project and is greatly needed. Our goal is to have these two buildings completed by Family Camp 2020. Please pray for this project and the additional funds that are needed.

PERMANENT LOT WAITING LIST

At this time, there are 65 people/couples on the permanent lot waiting list. In January 2020 a letter will be sent letting each know where they are on the list. We will also be updating the waiting list at that time.

FINANCIAL UPDATE

We want to thank all those who support the ministry of Brown City Camp. This year at camp our cash offerings were \$115,098.95. We also raised \$24,962.00 toward the new youth restroom facilities. There were 362 people who signed up for the 100 Club, 53 for the 500 Club, and 34 for the 1,000 Club. Thank you for your generosity and supporting our camp.
