

Fall grounds clean up! We are always looking for help to clean the grounds. If you can serve, please give the camp office a call.

# Brown City Camp Fall News 2024

The campground is now closed - please call ahead if you need anything. The water is also shut off.

Another family camp is in the books. What an awesome family camp - being immersed in worship, challenging messages from God's Word, commitments and recommitments to the Lord, connecting with family and friends and meeting new friends. We always end each camp with an eye toward the future and the excitement that lies ahead, but I think it's also important to take a moment to consider this past camp. As I pause to reflect on it all, my heart is full of gratitude for our staff, for our volunteers and particularly for you, family campers who have entrusted your families to us.

**To our volunteers** who worked tirelessly to provide you, our family campers, with an incredible God-filled camp experience - thank you! The countless volunteers gave their best to their various ministries at family camp as each day brought new challenges and new successes - they were energized, exhausted, inspiring and inspired! Volunteers, you are a terrific group, and I am grateful for each one's faithfulness and service.

**To you, our family campers**, who showed up every morning, afternoon, and evening to services, seminars and activities; you are the reason we do what we do - thank you! The kids and youth were hungry to hear from God and many stories can be shared of lives changed and how God spoke to them. At least 45 children made first time decisions for Christ this year.

The wonderful thing about family camp is that it's more than just a place to spend 10 days. It's a God-filled space that challenges us all to grow, commit and recommit our lives to Jesus in deeper ways.

We care about our camp families, and we are so grateful for each of you who come and allow God to use this place and this space to grow your family's relationship with Jesus.

As the days ahead grow cooler and the leaves begin to change, my hope for each of you is that you will not only remember how God challenged you this year, but you will continue to grow in your love and worship of our amazing God.

What an awesome camp with literally thousands of decisions this year! Thank you for being a part of it. We can't wait to have you back again next year.

Pastor Brent Kriesch  
Brown City Camp Board Chairman

## 2025 Camp Dates: July 31 - August 10

The traveling ice cream wagon was a hit! We served over 450 people each night and so many campers experienced new spots around camp.

# 4321 Generations NOW For The Future!

We continue to make progress on the new building—just at a slower pace than before. Everything involved with shutting the camp down has cut into the time spent on the building. The walls are up for the bathrooms, storage room and utility room. A barn-type beam has been set in the snack shack/coffee shop area and we have taken a barn down to reclaim the wood for use on the exterior portions of the interior walls. The second floor is in. DTE will be installing a new transformer by the end of December and the doors should be installed next week. I would like to thank everyone who has helped on the project knowing that without this help it would be impossible (read: expensive). We are looking forward to finishing up and seeing how God will use this new building.

Ken Bricker, Maintenance Manager

Greetings Campers!

It was an amazing camp this year! We were eyewitnesses to a movement of the Holy Spirit and we praise God! Many commitments and re-commitments were made. The Lord also called several into ministry. We have heard testimonies of reconciliation, restoration, and healings from illness. I'm speechless. AMAZING!

This powerful movement of the Spirit is what our Regional Prayer Team has been praying for throughout the year. We hope you had a fresh, new encounter with Jesus. Across Michigan, we see and hear about The Lord's mighty work from and the fruit that is still coming from family camp. We look forward to the future together with you, as we MULTIPLY Jesus in our churches and surrounding communities.

Praying abundant blessings upon you and your families as we make disciples!

Love like Jesus, Live like Missionaries,  
Dale Rinke  
Regional Director
